## My Love

## **Petula Clark**

My love is warmer than the warmest sunshine Softer than a sigh
My love is deeper than the deepest ocean
Wider than the sky

My love is brighter than the brightest star That shines every night above And there is nothing in this world That can ever change my love

Something happened to my heart the day that I met you Something that I never felt before
You are always on my mind, no matter what I do
And every day it seems I want you more

My love is warmer than the warmest sunshine Softer than a sigh
My love is deeper than the deepest ocean
Wider than the sky

My love is brighter than the brightest star That shines every night above And there is nothing in this world That can ever change my love

Once I thought that love was meant for anyone else but me Once I thought you'd never come my way

Now it only goes to show how wrong we all can be

For now I have to tell you everyday

My love is warmer than the warmest sunshine Softer than a sigh
My love is deeper than the deepest ocean
Wider than the sky

My love is brighter than the brightest star That shines every night above And there is nothing in this world That can ever change my love

My love is warmer than the warmest sunshine Softer than a sigh My love is deeper than the deepest ocean Wider than the sky

My love is brighter than the brightest star That shines every night above And there is nothing in this world That can ever change my love
