

What Now My Love?

Petula Clark

What now my love, now that you've left me?
How can I live through another day?
Watching my dreams turning to ashes,
And my hopes into bits of clay

Once I could see, once I could feel
Now I am numb, I've become unreal,
I walk the night without a goal,
Stripped of my heart, my soul

What now my love, now that it's over?
I feel the world closing in on me
Here come the stars tumbling around me,
There's the sky where the sea should be

What now my love, now that you've gone?
I'd be a fool to go on and on
No one would care, no one would cry
If I should live or die

What now my love, now there is nothing?
Only this last goodbye, My love
