

Where Did We Go Wrong

Petula Clark

Oh, where did we go wrong, darling?
Where has our love gone?
I don't know, how can I go on, darling.
Where did we go wrong?

Even so deep inside me
The fire of love still burns.
So please, return and love me now.
I'll be brave and strong, darling
But for just how long?
Oh, where did we go wrong?

~~~♪♪♪ ~~~

Even so deep inside me  
The fire of love still burns.  
So please, return and love me now.  
I'll be brave and strong, darling  
But for just how long?  
Oh, where did we go wrong?

Where did we go wrong?  
Oh, where did we go wrong?
