

You and I

Petula Clark

You and I have traveled far together
We pursued our little star together
We are happy as we are together
We may never get to heaven
But it's heaven at least to try

You and I are going on together
till the time we have is gone together
Watch the evening growing on together
Growing older growing closer
Making memories that light the sky
That only time can make
that only love can make
that only we can make
You and I

You and I are going on together
till the time we have is gone together
Watch the evening growing on together
Growing older growing closer
Making memories that light the sky
That only time can make
that only love can make
that only we can make
You and I
