

## Walk Away From Love

PFR

I know you i know doubt what i am saying  
You think that i've been deceived  
To follow after what some old weak man's saying  
It seems so simple that it's hard to believe  
I can't understand why you would walk away from love  
No i don't understand why you would walk away from love  
I just can't understand why you would walk away from love  
I'll never understand why you would walk away  
Maybe i'm right and he's waiting at the table  
Maybe it happened when i saw it was my sin  
Maybe he's waiting for a chance to show me true love  
Maybe you'll never get this chance again  
I can't understand why you would walk away from love  
No i don't understand why you would walk away from love  
I just can't understand why you would walk away from love  
I'll never understand why you would walk away  
I'm a fool  
So are you  
I'm a fool  
So are you  
Maybe you think i'm a fool for what i'm saying  
Maybe that's what i like you to think  
Or maybe you're a fool to say you're a wise man  
See the way you lose unless you meet with my king  
I can't understand why you would walk away from love  
No i don't understand why you would walk away from love  
I just can't understand why you would walk away from love  
I'll never understand why you would walk away from love
