

You're Mine

Phantogram

You don't talk to no one, don't you look at nothin'
Focus on me, look into my eyes
Come a little closer, let me tell you somethin'
Eat your ego, honey, swallow your pride
You don't talk to no one, don't you look at nothin'
Focus on me, look into my eyes
Come a little closer, let me tell you somethin'
You ain't goin' anywhere, 'cause you're mine

'Cause you're mine
'Cause you're mine
'Cause you're mine

I used to be a rifle, yeah I had my distance
Whistling like a bullet in the sky
I used to be a psycho, yeah I had my demons
Crawling like a spider up my spine
I spotted you the second I walked in the building
I knew that you would let me get you high
I wanna hear the things you say when no one's listening
But that don't matter anyway, 'cause you're mine

'Cause you're mine
'Cause you're mine
'Cause you're mine

No one's gonna love you
No one's gonna touch you
No one's gonna look at you the way I do
No one's gonna save you
Build you up and break you
I'm the one you pray to every night 'cause you're mine

'Cause you're mine
'Cause you're mine
'Cause you're mine
'Cause you're mine
'Cause you're mine
'Cause you're mine
'Cause you're mine

You don't talk to no one, don't you look at nothin'
