Leader

Phantom Planet

There are so many signs the end is nigh Our leader told us so besides We follow him blind, to and fro Wherever he decides to go

He speaks, we listen We'll see his vision

He explained so easily
We are all the missing pieces
Maybe you'll fit right in too
Ask yourself, it might be true

Now join our hands and come along The day's about to dawn You feel it coming On and on the hour's upon you Now it won't be long You feel it coming

Now we'll put you in our uniform Everyone will be reborn Wear us over where your heart is Your new life with us has started

You'll speak He'll listen We'll see His vision

Join our hands and come along
The day's about to dawn
You feel it coming
On and on the hour's upon you
Now it won't be long
You feel it coming
Sitting on it all alone
We're on a ticking bomb
You feel it coming
On and on the hour's upon you
Now it won't be long
You feel it coming

You feel it coming You feel it coming (You feel it coming) You feel it coming You feel it coming

Join our hands and come along
The day's about to dawn
You feel it coming
On and on the hour's upon you
Now it won't be long
You feel it coming
Sitting on it all alone
We're on a ticking bomb

You feel it coming
On and on the hour's upon you
Now it won't be long
You feel it coming

You feel it coming You feel it coming You feel it coming You feel it coming
