

Bonecrusher

Phantom

Break my back
Crack my spine
Oh my love one more time
Grinding down
Till I cry
Come on love I'll make you mine
Bonecrusher
Slip your skin
Onto mine
All my love All the time
Writhing sweat
Muscle and bone
Into my lovin arms
Bonecrusher
Ooo precious love
Ooo precious love
Bonecrusher
Scream for Bonecrusher
Scream for Bonecrusher
