

## Damage

Pharoahe Monch

They cock them hammers, wave them llamas  
But that's that in front of the camera drama  
So when the cameras are attached to dollys, I call them dali la  
ma's

Mold me, loathe, hold me in the palm of your hand load me

You know exactly what I am, murderer!  
When I'm inserted on to the top of fifteen family members  
It's the curse of the proverbial anarchy starter the martyr  
This is what I have been converted to do what I do is insanity  
Pro fo fo fanity when they manually hammer me annually

You don't figitty phase me yo, I won't tigitty tase you bro  
Figgity fucking cut you in half like it's nothing minus the las  
er scope

Then I will ring your bell like avon  
Before displaying some of my various tattoos (trayvvon)  
(Oscar) award winning (aiyana jones) hey (sean)  
Sworn to be cannon fodder for your father slaughter daughters  
Armor piercing tumblers more deadlier than napalm

Fuck a stray bullet, I take aim when the gun draws  
For ever lasting fame I will maim those who change the gun laws  
Cause post traumatic stress disorder – ask any vet I've worked  
with

My purpose catching bodies like safety nets at the circus...

Nigga I will twist your liver like oliver (twist)  
Scratch your name off my calendar, see that was me thru a silen  
cer

What you just heard was a 44 caliber now you can fill in the bl  
anks

I will pillage your town killing them with dillinger rounds

Now fill in the clip cause I'm willing to flip

See I'm sort of certified I'm fortified live

You would be mortified if I would put on screen what I've seen

Horrified holy bibles rifles vital organs

Little bitty baby body bridal gowns coffins

Morphine gang bang gangrene slauson swap meet

Meet greet pop I don't sleep I don't stop

I love hate, hate cops. that's why I laugh when they pull it

I'm motivated and crass I'm so elated when I see them on the ne  
ws

They flying the flag half mass

See there's no need for conversation

When we're discussing the bullets point of view
