

# Livin It Up

Pharoahe Monch

One, two  
One, one, one, one, one, one, one  
(Two, two)  
One, two  
(Test two, two)  
One testin', testin' mic  
Turn that mic up  
(Turn the mic up)  
Aiiyo, Pharoahe Monch is incredible  
Ridiculous pivoting fit meticulous splitting shits  
In half, 'cause my words make earthquakes  
Soliciting intricately impossible obstacles hit  
You-in-your-ugly-fuckin'-face man  
Defendin' 'em even when I'm a minimum state of  
Mind 'cause, my rhymes, shine like, diamonds  
World circuit, work it, perfect, timing  
Ay-yadi-yadi-yadi-yay  
(Hey yo, we livin' it up)  
Yadi-yadi-yadi-yo  
(Hey yo, we livin' it up)  
Yadi-yadi-yadi-yay  
(That's right we livin' it up)  
Yadi-yadi-yadi-yo  
(C'mon, we livin' it up)  
Yadi-yadi-yadi-yay  
(That's right we livin it up)  
Yadi-yadi-yadi-yo  
(C'mon, we livin' it up)  
Ya-di-ya-di-ya-di-ya-di-yi  
(We livin' it up, we livin' it up)  
(We livin' it up, we livin' it up)  
Hey, bump this shit in your new car system  
The pinnacle of sinister the cynical wisdom  
My strategy, split 'em, seemingly hitting 'em  
With little eenie meenie bits of flattery  
That'll stagger 'em for a minute, imagine I'm draggin' 'em in it  
The mud, "Fudge Pudge" remember I'm braggin' infinite  
This Menace here II finish off Society  
Not Dennis, the nemesis of a different variety  
The gap-toothed kid with the ill computer flow  
(Uhh)  
The most beautifullest thing, so suitable  
Ay-yadi-yadi-yadi-yay  
(Hey yo, we livin' it up)  
Yadi-yadi-yadi-yo  
(Hey yo, we livin' it up)  
Yadi-yadi-yadi-yay  
(Hey yo, we livin' it up)  
Yadi-yadi-yadi-yo  
(Shh, we livin' it up)  
Yadi-yadi-yadi-yay  
(Hey yo, we livin' it up)  
Yadi-yadi-yadi-yo  
(That's right we livin' it up)  
Ya-di-ya-di-ya-di-ya-di-yi  
(We livin' it up, we livin' it up)  
(We livin' it up, we livin' it up)

Yo, come get that ass kicked fast quick  
Monch already with an asterik  
Blast past MC's faster than Flash did  
At last a cop checked to cop hash wit'  
Dash a little bit in the cake mix to get blasted  
Sacred, scriptures written inscripted scribe my scrupils  
Slap unhappy MC's who become my pupils  
You're tossed, cut off, similar to cuticles  
The most beautifullest thing, so suitable  
Yadi-yadi-yadi-yay  
(Yo, we livened it up)  
Yadi-yadi-yadi-yo  
(That's right, we livened it up)  
Yadi-yadi-yadi-yay  
(We livened it up)  
Yadi-yadi-yadi-yo  
(We livened it up)  
Yadi-yadi-yadi-yay  
(Shhh, we livin' it up)  
Yadi-yadi-yadi-yo  
(That's right we livin' it up)  
Ya-di-ya-di-ya-di-ya-di-yi  
(We livin' it up, we livin' it up)  
(We livin' it up, we livin' it up)  
Yeah
