Pharoahe Monch

Aiyyo uptown, the Bridonx  
(What? What?)  
Long Isle, Stridong

We can face the fuck off like hockey or Face Off like Travolta  
Face off like car radios with the mind of Minolta  
Face off like Treach if you're fuckin' with Vin Rock  
You still pop shit? I face off like fembots

And I'm the six million motherfuckin' dollar man  
With a six million mutherfuckin' dollar plan  
For thug niggaz and pimp players and drug niggaz  
Your technique, I sweep under the rug niggaz

Out of Queens, shit I serve with the fiends and bug niggaz  
I'm above niggaz but all in all, I love niggaz  
Like my man Benny Rat, showed me the rap game  
(Uh)  
Told me never to act sane on a record or rap plain

Now the name reign supreme, seen major creme  
Rhymes, sicker than lyme disease and gangrene  
I'm the most obligated, nigga creatin' havoc  
Check the meaning for Monch, the meaning becomes tragic

Raw, if you want it  
Raw, yeah, we got it indeed  
Yo actually I'm just tryin' to eat  
For sure, if you need it on tour  
Yeah we ready to bleed  
I'm sayin', God I'm just tryin' to eat
