In a time when we're spending billions of dollars in a war to control oil in
Iraq
3,000 soldiers have come home in coffins
Hundreds of thousands of Iraq civilians have lost their lives
Our brothers and sisters in New Orleans are left homeless and hungry
They murdered Sean Bell
They murdered Amadou Diallo
They murdered Timothy Stansbury
And it's time to say NO MORE!
NO MORE!, NO MORE!, NO MORE!, NO MORE!
I got so much trouble on my mind, refuse to lose
Here's your ticket (uh), hear the drummer get wicked
The crew to you to push the back to Black
Attack so I sat and japped, then slapped the Mac
Now I'm ready to mike it (huh)
Hear my favoritism roll "Oh"
Never be a brother like to go solo
Lazer, Anastasia, maze ya
Ways to blaze your brain and train ya
The way I'm livin, forgiven, what I'm givin up
X on the flex (hear me now)
I don't know about later
As for now I know how to avoid the paranoid
Man I've had it up to here
Gear I wear got 'em goin in fear
Rhetoric said, it read just a bit ago
Not quittin, it signed the hard rhymer
Work to keep from gettin jerked
Changin some ways, to way back in the better days
Raw metaphysically bold, never follow the code
Still dropped a load
Never question what I am, God knows
Cause it's comin from the heart
What I got better get some (um hum)
Hustler of culture
Snakebitten, been spit in the face
But the rhymes keep fittin
Respects been givin, how's ya livin?
Now I can't protect a pad off the defect
Check the record of reckon
An intentional wreck
Played off as some intellect
Made the call, took the fall, broke the laws
Not my fault that they're fallin off
Known as fair square, throughout my years
So I growl at the livin foul
Black to the bone my home is your home
So welcome to the Terrordome
Come on down (get down)
You can get it, get it, get it
Come on down ...
You can get it, get it, get it
```
