Take off your halo and wings Girl, I can make her fly [Pre-Chorus] I don't know, what's come over me My momma didn't raise me that way You lit a fire, from inside of me That'd light your seat ablaze, girl Light that ass on fire [Chorus] I could be the guy to treat you To a nice movie, feed you But I don't wanna mislead you Tonight I think I wanna be dirty, girl Do you wanna get dirty, girl? Come on Light that ass on fire Do you wanna get dirty, girl? Let's go [Bridge] Girl the world's watchin' From sunset to midnight They're tryna catch a glimpse (intimacy) Of you and I [Pre-Chorus] [Chorus] [Instrumental Interlude] [Pre-Chorus] [Chorus]
