

Soften My Heart

Phatfish

Soften my heart,
That I may know
The love You have for me,
More than words or well-worn phrases.

Soften my heart,
For love to grow,
The love I have for You,
That keeps my motives pure and blameless.

Enter in,
Come and have free reign
As I walk with You today.
Risen Lamb,
Holy One,
Overshadow me today
