

## Soften My Heart

Phatfish

Soften my heart,  
That I may know  
The love You have for me,  
More than words or well-worn phrases.

Soften my heart,  
For love to grow,  
The love I have for You,  
That keeps my motives pure and blameless.

Enter in,  
Come and have free reign  
As I walk with You today.  
Risen Lamb,  
Holy One,  
Overshadow me today
