

somewhere  
beyond the horizon  
standing in silence  
hidden by dreams  
reach out  
keep wishing and hoping  
like for the taking  
you can make it, believe

jukebox  
the land of music  
jukebox  
of fantasy  
jukebox  
the land of music  
jukebox  
your wildest dreams

halfway  
halfway to heaven  
out of the darkness  
into the light  
heartbreak  
sleepers awaken  
a world of wonder  
behold paradise

jukebox  
the land of music  
jukebox  
of fantasy  
jukebox  
the land of music  
jukebox  
your wildest dreams
