

# Stop

## Phenomena

Can't you see something's wrong  
try telling me what's going on  
give me some time  
let's talk about it

you're not listening to a word i say  
i can't explain when you turn away  
it can't go on  
let's talk about it

Stop!  
before you breake my heart  
love's tearing us apart  
oh,love's dying now

Stop!  
before you breake my heart  
love's tearing us apart  
oh,love's dying now

you're lost in lies,torment and pain  
you think it's never gonna be the same  
believe in love  
let's talk about it

i still love you,do you love me?  
it's a crazy game we're playing  
can't you see?  
we can work it out  
let's talk about it

Stop!  
before you breake my heart  
love's tearing us apart  
oh,love's dying now

Can't you see something's wrong  
try telling me what's going on  
give me some time  
let's talk about it

there's still the magic  
don't break the spell  
remember all the good times  
we had so well  
don't give it up  
let's talk about it

Stop!  
before you breake my heart  
love's tearing us apart  
oh,love's dying now
