"Sir, can you help me?
It's cold and I've nowhere to sleep,
's there somewhere you can tell me?"

He pretends he can't hear her
Starts to whistle as he crosses the street
She's embarrassed to be there

Oh think twice, it's just another day for you,
You me in Pa ra dise (just think about it)

3. She calls out to the man on the street

He can see she's been crying
She's got blisters on the soles of her feet
She can't walk but she's trying

R:

Oh lord, there must be something you can say

4. You can tell from the lines on her face

You can see that she's been there
Probably been moved on from every place
But she didn't fit in there
