

# Do I Love You

Phil Collins

Here I am on bended knees  
I lay my heart down at your feet  
Now do I love you

All you have to do is ask  
I'll give until there's nothing left  
Do I love you

As long as there is life in me  
Your happiness is guaranteed  
I'll fill your heart with ecstasy, forever darling

Do I love you?  
Do I love you?  
Do I love you?  
Indeed I do Indeed I do

The very thing that I want most  
Is just to have and hold you close  
Do I love you?

From early morning until late at night  
You fill my heart with pure delight  
Do I love you?

Whenever I lay me down to sleep  
I pray the Lord your soul to keep  
And bring you home safe to me, for ever darling

Do I love you?  
Do I love you?  
Do I love you?

Indeed I do, sweet darling, indeed I do

Now whenever I lay me down to sleep  
I pray the Lord your soul to keep  
And bring you home safe to me  
For ever darling

Do I love you?  
Do I love you?  
Do I love you?  
Indeed I do, little darling, indeed I do
