Do You Remember?

Phil Collins

We never talked about it But I hear the blame was mine I'd call you up to say I'm sorry But I wouldn't want to waste your time

'Cos I love you, but I can't take any more There's a look I can't describe in your eyes Yes we could try, like we tried before But you keep on telling me those lies

Do you remember... ?

There seemed no way to make up 'Cos it seemed your mind was set And the way you looked it told me It's a look I know I'll never forget

You could've come over to my side You could've let me know You could've tried to see the distance between us But it seemed too far for you to go.

Do you remember... ?

Through all of my life In spite of all the pain You know people are funny sometimes 'Cos they just can't wait To get hurt again

Do you remember... ?

There are things we won't recall Feelings we'll never find It's taken so long to see it Cos we never seemed to have the time

There was always something more important to do More important to say But "I love you" wasn't one of those things And now it's too late

Do you remember... ?
