

Driving Me Crazy

Phil Collins

No matter where you go I'll be there
No matter where you hide I'll find you
I'll be there looking through the window watching everything you do
There's no escaping me
I'll be like your worst enemy
I'm right behind you every place you run to I'll be there with you

Cos being without you is driving me crazy
Oh I just don't know what to do
Yes being without you is driving me crazy
Cos all I want is you ♪.
And I like it

If all the world's a stage and we are,
We're only just two crazy players
Please understand why I just can't go on without you anymore
There's no escaping me
I want you back, can't you see
I'm losing all control and cannot guarantee my sanity

Cos being without you is driving me crazy
And I don't know what to do
Yes being without you is driving me crazy
Cos all I want is you
Being without you is driving me crazy
I don't know how long I'll last
Being without you is driving me crazy
Feel my pulse it's going so fast

You, you're driving me crazy
Me, I'm out of my mind
You, you're making me crazy
Me, I'm running out of time

I am your conscience, I'm your guide
I know just what you feel inside
I share your darkest thoughts with you but share no consequences for them
There's no escaping me
I'm with you while you sleep
I hear your lies, I hear your truth
I hear you speak before you do

But being without you is driving me crazy
And I don't know what to do
Yes being without you is driving me crazy
Cos all I want is you
Being without you is driving me crazy
I don't know how long I'll last
Being without you is driving me crazy
