

## Find a Way to My Heart

Phil Collins

Find a way to my heart, and I will always be with you  
From wherever you are, I'll be waiting  
I'll keep a place in my heart, you will see it shining through  
So find a way to my heart, and I will, I will follow you

This journey's not easy for you, I know  
If your footsteps get too faint to hear, I'll go  
Cos you know, questions are never that easy  
And never the same  
You have the answer believe me  
If you have the faith

Find a way to my heart...

Time may come, and time may go, I know  
If you should call out for me, I'll go  
But you know, there is a code to be broken  
I wrap it around  
Without a word being spoken  
Without a sound

There's a reason I hide my heart  
Out of sight out of mind  
And when I find out just who you are  
The door will be open for you to...

Find a way to my heart...
