

# Girl

Phil Collins

I love you, girl, with all my heart and soul  
I can't understand why you treat me cold  
Your every wish, girl, is my command  
And that's why I can't seem to understand why  
Girl, girl, girl, why you wanna make me blue?  
I'm askin' you girl, girl, girl, why you wanna make me blue?

One day you say you love me too  
The next day you tell me that we are through  
My love for you is just a game  
But each time we play, girl, my heart feels the pain  
Girl, girl, girl, why you wanna make me blue?  
Oh girl, girl, girl, why you wanna make me blue, so blue?

Woo Girl, girl, girl, why you wanna make me blue? (make me blue  
)  
Oh girl, oh girl, oh girl, tell me why can't you be true? (can'  
t be true)  
The way you treat me, it just isn't fair  
You make it so plain you just don't care  
You have a ball around my time  
Of sleepless nights I'm getting tired  
Girl, girl, girl, why you wanna make me blue?  
I'm askin' you girl, girl, girl, why you wanna make me blue, ba  
by?  
Girl, girl, girl, why you wanna make me blue?  
Oh oh girl, girl, girl, why you wanna make me blue?
