

# Love Is Here and Now You're Gone

Phil Collins

Love is here and  
Oh, my darling, now you're gone  
Love is here and  
Oh, my darling, now, now you're gone

You persuaded me to love you  
And I did  
But instead of tenderness  
I found heartache instead  
Into your arms I fell  
So unaware of the loneliness  
That was waiting there

You closed the door to your heart  
And you turned the key, locked your love away from me

Love is here and  
Oh, my darling, now you're gone

You made me love you  
And oh, my darling, now you're gone  
You said loving you  
Would make life beautiful  
With each passing day  
But as soon as love  
Came into my heart  
You turned and you walked, just walked away

You stripped me of my dreams  
You gave me faith, then took my hope  
Look at me now

Look at me  
See what loving you has done to me  
Look at my face  
See how cryin' has left it's trace

After you made me all your own  
Then you left me all alone  
You made your words sound so sweet  
Knowing that your love I couldn't keep

My heart cries out for your touch  
But you're not there  
And the lonely cry fades in the air

Love is here and  
Oh, my darling, now you're gone  
Love is here and  
Oh, my darling, now you're gone

You made me love you  
Oh, my darling  
Now you're gone  
You made me love you  
Oh, my darling  
Now you're gone
