

# Never Dreamed You'd Leave in Summer

Phil Collins

I never dreamed you'd leave in summer  
I thought you would go then come back home  
I thought the cold would leave by summer  
But my quiet nights will be spent alone

You said there would be warm love in springtime  
That was when you started to be cold  
I never dreamed you'd leave in summer  
But now I find myself all alone

You said then you'd be the life in autumn  
Said you'd be the one to see the way  
I never dreamed you'd leave in summer  
But now I find my love has gone away

Why didn't you stay?
