

# Take Me in Your Arms

Phil Collins

I know you're leaving me behind  
I'm seeing you, darling, for the very last time  
Show a little tenderness before you go  
Please let me feel your embrace once more

Take me in your arms, come on and rock me, and rock me a little  
while  
Hold me darling, rock me, rock me a little while  
We all must feel heartache sometime  
Right now, right now, now, I'm feeling mine

I tried my best to be strong, but I'm not able  
I'm like a helpless child wrapped in a cradle  
Let me know joy before I grieve  
Just once more, darling, before you leave

Take me in your arms, come on and rock me, and rock me a little  
while  
Hold me darling, rock me, rock me a little while  
I'm losing you and my happiness  
My life is over, I must confess

I'll never, never see your smiling face no more  
I'll never, never hear your knock on my door  
Before you leave me, leave me behind  
Please let me feel happy just one more time

Take me in your arms, come on and rock me, and rock me a little  
while  
Hold me darling, and rock me, rock me a little while

I said I never wouldn't beg, I said I wouldn't plead  
Here I am, baby, begging you please  
Baby, baby, please, baby, baby, please

Baby, take me in your arms  
Come on and rock me, and rock me a little while  
Hold me darling
