## **This Must Be Love**

**Phil Collins** 

It must be love, I'm feeling This must be love Oh this must be love, I'm feeling This must be love Well I wait in every day, just in case, You decide to call And I can hardly wait, 'cos I never thought time could pass so slowly It must be love, I'm feeling This must be love Oh this must be love, I'm feeling This must be love

Happiness is something I never thought I'd feel again, but now I know It's you that I've been looking for And day by day more and more I know what you think, you've heard it before Don't tell me I know But this feeling inside my heart, You know I'm never letting go 'Cos I think that...

It must be love, I'm feeling This must be love Oh this must be love, I'm feeling This must be love

Words can only say so much It's hard to express The things you do to me You're everything I could ever dreamed you'd be

This must be love, I'm feeling This must be love Oh this must be love, I'm feeling This must be love...
