

Be In My Heart

Phil Keaggy

What did I ever do for You that You should die for me?
And what did I ever give to You that You should live in
me?

Now and forever and always true, His love has found a
way.

As I was, I am, and always will be, will be

Be in my heart, be in my head,
Be in my soul tonight.
Live in my words, let it be said,
Live in my life tonight.

Pray that I never take in vain the Name I hold most
dear.

His love is the very heart of me, cast out all doubt
and fear.

Now and forever and always true,
His love has found a way.
As I was, I am, and always will be, will be

Be in my heart, be in my head,
Be in my soul tonight.
Live in my words, let it be said,
Live in my life tonight.

Tonight we shall sweetly sleep,
Tonight, by still waters deep,
Tonight, for my soul to keep,
Still waters, still waters, still waters.

Be in my heart, be in my head,
Be in my soul tonight.
Live in my words, let it be said,
Live in my life tonight.
