

She's A Dancer

Phil Keaggy

She's a dancer, she loves to dance,
She's a singer, she loves to sing,
She's a lady, walking 'round in Mama's shoes.

She's amazing, she loves to amaze,
She is waiting, she don't care to wait
In a hurry, walking 'round in Mama's shoes,
Standing tall in Mama's shoes.

Growing up to discover
The things in life that ring true,
You share the name of your grandmother,
And she'll be proud to see
All the things you can do.
As you reach for the sky, love,
And pirouette 'cross the room,
Just remember that you are my love,
And no other can replace the face of you.

She's my baby, and she'll always be
With every heartbeat, such a part of me,
And she's a lady,
Walking 'round in Mama's shoes,
Standing tall in Mama's shoes.

Growing up to discover
The things in life that ring true,
You share the name of your grandmother,
And she'll be proud to see
All the things you can do.
As you reach for the sky, love,
And pirouette 'cross the room,
Just remember that you are my love,
And no other can replace the face of you.

Great is your Lord, and great is your reward,
As you grow up to face the world,
You are blessed, be a blessing my little girl.
Walking round in Mama's shoes,
Standing tall in Mama's shoes.
