

Tell Me How You Feel

Phil Keaggy

You say tomorrow,
Tonight is better for me,
You say the time isn't right,
It's better to wait.
Listen to me I'll be there looking,
Watch me I'll be looking,
I'll be there looking your way.

You've got your name up in lights,
You're feeling ok,
Listen to me I'll be there looking,
Watch me I'll be looking for you,
I'll be there looking your way.

Tell me how you feel on the inside
When the spotlight's not around.
Do you run away cause
You cannot face the crowd alone.

You say you posted tonight
A letter to me,
Listen to me I'll be there waiting,
Watching and waiting for it,
I'll be there waiting to read

Just what is written there on the inside,
It's where you let it all come out.
Will you throw away what
You cannot say because you doubt.
So let it out, let it out, so let it out.

I'll make arrangements alright,
The dinner's on me,
You say tomorrow tonight,
Or just wait and see.
Listen to me I'll be there looking,
Watch me I'll be looking,
I'll be there looking to see you

Tell me how you feel on the inside
When the lights are finally out,
Will you run away,
You won't have to face the crowd tonight.
