Wade into the river, through the rippling shallow watter Steal across the thirsty border, bracero Come bring your hungry bodies to the golden fields of plenty From a peso to a penny, bracero

Oh, Welcome to California
Where the friendly farmer will take care of you
Come labor for your mother, your father and your brother
For your sister and your lover, bracero

Come pick the fruit of yellow, break the flower from the berry Purple grapes will fill your belly, bracero Oh, Welcome to California
Where the friendly farmer will take care of you

And the sun will bite your body, as the dust will draw you thristy

While your muscles beg for mercy, bracero In the shade of your sombrero, drop your sweat upon the soil Like the fruit your youth can spoil, bracero

Oh, Welcome to California
Where the friendly farmer will take care of you
When the weary night embraces, sleep in shacks that could be ca
ges
They will take it from your wages, bracero

Come sing about tomorrow with a jingle of the dollar And forget your crooked collar, bracero Oh, Welcome to California Where the friendly farmer will take care of you

And the local men are lazy, and they make too much of trouble Besides we'd have to pay the double, bracero But if you feel you're fallin', if you find the pace is killing There are others who are willing, bracero

Oh, Welcome to California Where the friendly farmer will take care of you
