

Christine Keeler and Mandy Rice-Davies,  
You're the gals for me.  
Christine Keeler and Mandy Rice-Davies,  
I'll keep you company.

You can have your Marilyn, your Carolyn, your Jacqueline.  
Grace Kelly never meant that much to me  
Just give me:  
Christine Keeler and Mandy Rice-Davies,  
You're the gals for me. (I'll give you secrets.)  
And you're the gals for me.

Oh, you get good defense from Robert McNamara  
Defends us all day long;  
But when Lord Profumo takes off his mascara  
You know he can't go wrong.

Douglas Fairbanks, Jr., and Lord and Lady Astor:  
Everybody's gonna lose their minds  
Because of:  
Christine Keeler and Mandy Rice-Davies,  
Will you be mine, all mine? (I'll take your pictures.)  
Will you be mine, all mine?
