

# Be Good To Each Other

Phil Stacey

May the road rise to meet us  
The wind always be at our back  
As we follow our dreams  
May our hearts ever lead and not lose track  
May we smile at the end of the day  
May we always find a way  
To be good to each other  
To be good to each other

Well, there's already plenty of pain  
In this world to last for years  
Yeah, just look out any window  
There's heartache and sorrow and tears  
It's easy to see what we need  
Now really, how hard could it be  
To be good to each other  
To be good to each other

We could try a little tenderness  
Yeah, and see how we like it  
It just might bring out our very best  
If we keep love in sight  
And be good to each other  
Yeah, be good to each other

La, la, la, la, la, la, la, la, la  
Oh whoa, oh whoa  
La, la, la, la, la, la, la, la, la  
Oh whoa, oh whoa

I'm sorry for times  
When I've added fire to the fuel  
For the times when I've hated  
Been bitter and jaded and cruel  
We get what we give in return  
Maybe as we live we will learn  
To be good to each other  
To be good to each other

La, la, la, la, la, la, la, la, la  
Oh whoa, oh whoa  
La, la, la, la, la, la, la, la, la  
Oh whoa, oh whoa

Be good to each other  
Yeah, be good to each other  
Oh, be good to each other  
Yeah, be good to each other  
Oh, be good to each other  
Be good to each other  
Oh, be good
