

Some Kind Of Love

Phil Stacey

What kind of love can fill up the ocean
Won't let you drown when you're diving in?
What kind of love takes a heart that's frozen
And makes it heal, makes it beat again?

Still it's hard to lay these burdens down
And believe it's gonna all work out
But somehow

Some kind of love, some kind of love
It just keeps on coming back
Who knew there was some kind of love?
Whoa, whoa, I want a love like that
I want a love like that

What kind of love goes into the darkness
And pulls you back when you're on the edge?
What kind of love finds you when you're hopeless
And gives you another second chance?

I was thinking I was too far gone
Wondering how I'd keep holding on, hold on

Some kind of love, some kind of love
It just keeps on coming back
Who knew there was some kind of love?
Oh, oh, I want a love

That finds me on my knees when I can hardly breathe
When I got nothing left, You reached me
When I'm thinking that I'm too far gone

Some kind of love, some kind of love
It just keeps on coming back
Who knew there was some kind of love?
Whoa, whoa, I want a love like that

Some kind of love, some kind of love
It just keeps on coming back
Who knew there was some kind of love?
Whoa, whoa, I want a love like that

Some kind of love, some kind of love
It just keeps on coming back
Who knew there was some kind of love?
Whoa, whoa, I want a love like that
I want a love like that

What kind of love can fill up the ocean
Won't let you drown when you're diving in?
