

# You Are Mine

Phil Stacey

What's the reason why  
da Vinci had to paint  
Lennon had to write  
About peace

Martin had a dream  
Patsy had to sing  
Where did Mozart find  
Those melodies

We all need inspiration  
A spark that ignites  
Something deep inside the soul  
A masterpiece that defines a life  
And you are mine  
And you are mine

Just to see your face  
Calms the storm in me  
Makes me see the world  
A little differently

Yeah, we all need inspiration  
A spark that ignites  
Something deep inside the soul  
A masterpiece that defines a life  
And you are mine

Yeah, you are mine  
We all need inspiration  
A spark that ignites  
Something deep inside the soul  
A masterpiece that defines a life  
And you are mine  
Yeah, you are mine

You are mine  
You are mine  
You are mine  
Yes, you are a masterpiece
