

You Are Mine

Phil Stacey

What's the reason why
da Vinci had to paint
Lennon had to write
About peace

Martin had a dream
Patsy had to sing
Where did Mozart find
Those melodies

We all need inspiration
A spark that ignites
Something deep inside the soul
A masterpiece that defines a life
And you are mine
And you are mine

Just to see your face
Calms the storm in me
Makes me see the world
A little differently

Yeah, we all need inspiration
A spark that ignites
Something deep inside the soul
A masterpiece that defines a life
And you are mine

Yeah, you are mine
We all need inspiration
A spark that ignites
Something deep inside the soul
A masterpiece that defines a life
And you are mine
Yeah, you are mine

You are mine
You are mine
You are mine
Yes, you are a masterpiece
