

# Bye Bye

Phil Vassar

Girl, you sure look pretty there  
Standin' in the doorway in the sunset light  
Or maybe I read you wrong  
Thinkin' I could be your Mr. Right

Well, I was puttin' my heart and soul on the line  
You said you needed some time, just a little more time  
To make up your mind  
Well, it's been long enough, your time is up

Bye bye love, I'll catch you later  
Got a lead foot down on my accelerator  
And the rear view mirror torn off  
And I ain't never lookin' back and that's a fact

Well, I've tried all I can imagine  
I've begged and pleaded in true lover's fashion  
And I've got pride and I'm takin' it for a ride  
Bye bye, bye bye my baby, bye bye

You don't think all those tears are gonna hold me here  
Like they've done before  
You'll see what's left of us  
In a cloud of dust on Highway 4

Darling, what did you expect me to do?  
Sit around and wait on you, well, I'm through watchin' you  
Just skate around the truth and I know it sounds trite  
But I've seen the light

Bye bye love, I'll catch you later  
Got a lead foot down on my accelerator  
And the rear view mirror torn off  
I ain't never lookin' back and that's a fact

Well, I've tried all I can imagine  
I've begged and pleaded in true lover's fashion  
And I've got pride and I'm takin' it for a ride  
Bye bye, bye bye my baby, bye bye

I lost the game I guess  
I did my best to win the part  
Now I'm leavin' here  
With what's left of my heart

Bye bye, I'll catch you later  
Got a lead foot down on my accelerator  
And the rear view mirror torn off  
And I ain't never lookin' back, you can count on that

I've tried all I can imagine  
I've begged and pleaded in true lover's fashion  
And I've got pride and I'm takin' it for a ride  
Bye bye, bye bye my baby, bye bye

Bye bye, oh baby  
Oh oh, bye bye, bye bye my baby, bye bye
