

I'll Be The One

Phil Vassar

You'll never know, how much you touch my soul
You're so beautiful and I'm so gone
Please understand, I'm only just a man
But I'll give you all I am
From here and now on

I'll be the one
The one you hold
I'll wrap my love around you until time
Grows old
That ray of faith
That glimpse of sun
Baby, only everything
I'll be the one

Trust this much, I'll always believe in us
And I'll never give it up
For anything ever

I'll be the one
The one you hold
I'll wrap my love around you until time
Grows old
That ray of faith
That glimpse of sun
Baby, only everything
I'll be the one

Lay down beside me
Right down here beside me
There's so much inside girl
And I want to share it with you
My love, whatever I do

I'll be the one
The one you hold
I'll wrap my love around you until time
Grows old
That ray of faith
That glimpse of sun
Baby, only everything
I'll be the one

I'll be the one
I'll be the one
