

# I'll Be The One

Phil Vassar

You'll never know, how much you touch my soul  
You're so beautiful and I'm so gone  
Please understand, I'm only just a man  
But I'll give you all I am  
From here and now on

I'll be the one  
The one you hold  
I'll wrap my love around you until time  
Grows old  
That ray of faith  
That glimpse of sun  
Baby, only everything  
I'll be the one

Trust this much, I'll always believe in us  
And I'll never give it up  
For anything ever

I'll be the one  
The one you hold  
I'll wrap my love around you until time  
Grows old  
That ray of faith  
That glimpse of sun  
Baby, only everything  
I'll be the one

Lay down beside me  
Right down here beside me  
There's so much inside girl  
And I want to share it with you  
My love, whatever I do

I'll be the one  
The one you hold  
I'll wrap my love around you until time  
Grows old  
That ray of faith  
That glimpse of sun  
Baby, only everything  
I'll be the one

I'll be the one  
I'll be the one
