I'll Be The One

Phil Vassar

You'll never know, how much you touch my soul You're so beautiful and I'm so gone Please understand, I'm only just a man But I'll give you all I am From here and now on I'll be the one The one you hold I'll wrap my love around you until time Grows old That ray of faith That glimpse of sun Baby, only everything I'll be the one Trust this much, I'll always believe in us And I'll never give it up For anything ever I'll be the one The one you hold I'll wrap my love around you until time Grows old That ray of faith That glimpse of sun Baby, only everything I'll be the one Lay down beside me Right down here beside me There's so much inside girl And I want to share it with you My love, whatever I do I'll be the one The one you hold I'll wrap my love around you until time Grows old That ray of faith That glimpse of sun Baby, only everything I'll be the one I'll be the one I'll be the one
