## **My Next Thirty Years**

## **Phil Vassar**

I think I'll take a moment to celebrate my age The ending of an era and the turning of a page Now it's time to focus in on where I go from here Lord have mercy on my next thirty years

Hey, my next thirty years I'm gonna have some fun Try to forget about all the crazy things I've done Maybe now I've conquered all my adolescent fears And I'll do it better in my next thirty years

My next thirty years I'm gonna settle all the scores Cry a little less, laugh a little more Find a world of happiness without the hate and fear Figure out just what I'm doing here in my next thirty years

Oh, my next thirty years, I'm gonna watch my weight Eat a few more salads and not stay up so late Drink a little lemonade and not so many beers Maybe I'll remember my next thirty years

My next thirty years will be the best years of my life Raise a little family and hang out with my wife Spend precious moments with the ones that I hold dear Make up for lost time here, in my next thirty years In my next thirty years
