

Capture My Heart

Phil Wickham

Send you're spirit and move us
Lord make your presence known
Let you're fire consume us
Jesus we lift our souls to you

In my failure and my weakness
Your strength is glorified
For your grace and your forgiveness
Brought me from death to life
In you, I'm alive in you

You capture my heart in all of your beauty
You cover my soul in all of your mercy
And lord I've fallen so in love with you

I need you, I want you, I can't live without you

I will praise You all my days
In You is all I need
Teach me Your will and Your ways, Jesus, I long to be with You
Just to be with You

You capture my heart in all of your beauty
You cover my soul in all of your mercy
And lord I've fallen so in love with you

You capture my heart in all of your beauty
You cover my soul in all of your mercy
Lord I've fallen so in love with you

I love you, adore you, bow down before you

You capture my heart in all of your beauty
You cover my soul in all of your mercy
And lord I've fallen so in love with you
