

Heaven And Earth

Phil Wickham

This is the line we're choosing now to cross
Between heaven and earth, heaven and earth
You're wiping away the tears to start to drop
From my face, from my face

I'm climbing the fences
I'm crossing the seas
I'll cover the distance
I just want You to shine on me

My beating heart is bursting out my skin
To go further up, and further in
Whatever it takes to bring me somewhere higher
Be it rain, or be it fire

I'm climbing the fences
I'm crossing the seas
I'll cover the distance
I just want You to shine on me
I'm laying down my life
Cuz I know what You're worth
I'm crossing the great line between heaven and earth
Between heaven and earth

I hear You calling me and I come running
Ooh I've fallen into love and nothing will stop me
Oh I hear You calling me and I come running

I'm climbing the fences
I'm crossing the seas
I'll cover the distance
I just want You to shine on me
I'm laying down my life
Cuz I know what You're worth
I'm crossing the great line between heaven and earth
Between heaven and earth

We're gonna make it
We're gonna make it

Oh

I hear You calling me and I come running
Ooh I've fallen into love and nothing will stop me
Oh I hear You calling me and I come running
To You, to You, to You
