

# Over All

Phil Wickham

Over our hopes; over our fears  
God, you are over all  
Over our joy; over our tears  
God, you are over all

Great in power,  
Exalted and lifted high  
God, you will reign forever,  
Forever we will glorify  
God over all,  
God over all

Over the earth; over the sky  
God, you are over all  
Over the dark; over the light  
God, you are over all

Whatever may come in this life  
God, you are over all

God over all,  
God over all  
God over all,  
God, you are over all

Higher and higher, we lift You higher,  
Higher and higher, we lift You higher  
Higher and higher, we lift You higher  
High and higher
