

Over All

Phil Wickham

Over our hopes; over our fears
God, you are over all
Over our joy; over our tears
God, you are over all

Great in power,
Exalted and lifted high
God, you will reign forever,
Forever we will glorify
God over all,
God over all

Over the earth; over the sky
God, you are over all
Over the dark; over the light
God, you are over all

Whatever may come in this life
God, you are over all

God over all,
God over all
God over all,
God, you are over all

Higher and higher, we lift You higher,
Higher and higher, we lift You higher
Higher and higher, we lift You higher
High and higher
