

## Safe

Phil Wickham

To the one whose dreams have fallen all apart  
And all you're left with is a tired and broken heart  
I can tell by your eyes you think you're on your own  
But you're not alone  
Have you heard of the One who can calm the raging seas  
Give sight to the blind, pull the lame up to their feet  
With a love so strong it never lets you go  
No you're not alone

You will be safe in His arms. You will be safe in His arms  
The hands that hold the world are holding your heart  
This is the promise He made, He will be with you always  
When everything is falling apart, you will be safe in His arms

Did you know that the voice that brings the dead to life  
Is the very same voice that calls you now to rise  
So hear Him now, He's calling you home. You will never be alone

You will be safe in His arms. You will be safe in His arms  
The hands that hold the world are holding your heart  
This is the promise He made, He will be with you always  
When everything is falling apart, you will be safe in His arms

Cause these are the hands that built the mountains, the hands that  
calm the sea  
These are the arms that hold the lame and they are holding you  
and me  
These are the hands that heal the leper pull the lame up to their  
feet  
These are the arms were nailed to the cross to break our chains  
and set us free

You will be safe in His arms. You will be safe in His arms  
The hands that hold the world are holding your heart  
This is the promise He made, He will be with you always  
When everything is falling apart, you will be safe in His arms  
You will be safe  
You will be safe  
When everything is falling apart, you will be safe in His arms
