

The Ascension

Phil Wickham

This is the start of something amazing
A moment when heaven touches earth
Here in our hearts Lord we are waiting
For something that's far beyond what we have seen or heard

Let us start the ascension
Let's begin the climb
Up this holy mountain
Where Your glory shines
Further up, further in
Just to be with You again
Let us start the ascension

We're fixing our eyes on glory and fire
Your name is branded on our hearts
You are the source of all we desire
Nothing can hold us back, we're running to where You are

Let us start the ascension
Let's begin the climb
Up this holy mountain
Where Your glory shines
Further up, further in
Just to be with You again
Let us start the ascension

We run to Your light

Let us start the ascension
Let's begin the climb
Up this holy mountain
Where Your glory shines
Further up, further in
Just to be with You again
Let us start the ascension [x2]
