

## The Ascension

Phil Wickham

This is the start of something amazing  
A moment when heaven touches earth  
Here in our hearts Lord we are waiting  
For something that's far beyond what we have seen or heard

Let us start the ascension  
Let's begin the climb  
Up this holy mountain  
Where Your glory shines  
Further up, further in  
Just to be with You again  
Let us start the ascension

We're fixing our eyes on glory and fire  
Your name is branded on our hearts  
You are the source of all we desire  
Nothing can hold us back, we're running to where You are

Let us start the ascension  
Let's begin the climb  
Up this holy mountain  
Where Your glory shines  
Further up, further in  
Just to be with You again  
Let us start the ascension

We run to Your light

Let us start the ascension  
Let's begin the climb  
Up this holy mountain  
Where Your glory shines  
Further up, further in  
Just to be with You again  
Let us start the ascension [x2]
