

You Are Everything

Phil Wickham

Jesus, You're my everything
My heart beats for You
Filled with power and mystery
Lord, I thirst for You
You are everything
You are everything

Lord, You are beautiful
Awesome and wonderful
I give You all of my life
Lord, You're the song I sing
Perfect in everything
I give You all of my life

You're the stone I rest upon
I find peace in You
I love You Lord with all my heart
I place my hope in You
For You are everything
You are everything
