

The Disappearance of the Girl

Phidel

I don't know where I've been,
And it's been such a long time
Since I really saw the difference
Between you and I...
And I don't know where I stand,
Faced with a cruel world.
I'd say everything points to
The disappearance of the girl...

Ooh, yeah-hey, yeah-hey,
If I, if I could persuade you...
Hey, yeah-hey, yeah-hey,
You know, you know he betrays you,
Hey, yeah-hey, yeah-hey,
As much, as much as he saves you.
Yeah-hey, yeah-hey.

I need you to see
There's not much innocence
In the imposed darkness
Of imposed silence.
I need you to see
The good in everything,
For the only thing that saves you
Is your economy of blessings.

Ooh, yeah-hey, yeah-hey,
If I, if I could persuade you...
Hey, yeah-hey, yeah-hey,
You know, you know he betrays you,
Hey, yeah-hey, yeah-hey,
As much, as much as he saves you.
Yeah-hey, yeah-hey.

Are you still waiting
For the real thing to save you?
'Cause it isn't there
And you know that he doesn't even care
About you.

Ooh, yeah-hey, yeah-hey,
If I, if I could persuade you...
Hey, yeah-hey, yeah-hey,
You know, you know he betrays you,
Hey, yeah-hey, yeah-hey,
As much, much as he saves you.
Yeah-hey, yeah-hey.

Ooh, yeah-hey, yeah-hey,
If I, if I could persuade you...
Hey, yeah-hey, yeah-hey,
You know, you know he betrays you,
Hey, yeah-hey, yeah-hey,
As much, much as he saves you.
Yeah-hey, yeah-hey.
